

Amie Lester

USDA Natural Resources Conservation Service

Amie Lester serves as the Compliance Coordinator for USDA-NRCS, specializing in Highly Erodible Land and Wetland Conservation Compliance under the Food Security Act of 1985, as amended. Prior to stepping into this role in 2025, she launched her career as an Agricultural Engineer, where she gained valuable experience designing wetlands and implementing erosion control practices. Amie graduated from Covington High School in Indiana and received her Bachelor's Degree in Civil Engineering Technology from the University of Southern Indiana. She has been married to Jason for 19 years and they have two teenage boys. Together they enjoy sporting activities and are outdoor enthusiasts.
