**Fee-based program. Discount is offered on required annual fee.

Select Membership Program

Select Membership provides additional benefits to you and your family beyond our primary membership.

Accidental Death Benefit Coverage

Indiana Farm Bureau select members receive \$2,000 worth of coverage, at no additional cost.

This simply means that a \$2,000 death benefit will be paid in a lump sum to the surviving spouse or, in situations where there is no surviving spouse, to the estate of the individual in whose name the primary membership is listed. Select membership also adds a \$2,000 death benefit for the spouse along with a \$2,000 death benefit for each child under the age of 21. It also increases the primary member coverage from \$2,000 to \$4,000.

Corporate members are not covered. This benefit will be paid if death is a result of bodily injury due to an accident and occurs within 90 days of the accident. The deceased member must have a current paid primary membership with Indiana Farm Bureau, Inc. Some limitations, exclusions, and qualifications apply and are available from your Indiana Farm Bureau Insurance agent.

Common Carrier Accidental Death Coverage

This coverage provides \$10,000 of life insurance, per covered insured*, for death occurring by accident while traveling as a fare-paying passenger on a licensed common carrier providing public transportation (e.g., commercial airplane, licensed taxicab, bus, train, or cruise ship). Rideshare services, such as Uber and Lyft, are not common carriers, and are not covered by this benefit. Other limitations may apply, see policy for details.

Voting Privileges

For voting members, a spouse named as a select member can be eligible for separate voting privileges.

Select memberships are only available to spouses of current paid primary Indiana Farm Bureau members. The annual membership fee for this program is \$20.

** Covered insured is the Select member, Select member's spouse, and each child under the age of 21 still living in the Select member's household.*
