**Laban C. Lindley**

***U.S. Army Corps of Engineers***

Laban Lindley is the Team Leader for the U.S. Army Corps of Engineers, Louisville District, Indianapolis Regulatory Office. Laban has been with the Corps Regulatory Program for 12 years, and was previously a regulator with the State of Florida, Department of Environmental Protection. The Corps Regulatory Program mission is to protect the Nation's aquatic resources, while allowing reasonable development through fair, flexible, and balanced permit decisions. Laban is responsible for overseeing daily operations of the office and ensuring that the regulatory mission is completed. This includes providing technical expertise to evaluate and manage proposed water resource activities under the regulatory authority of Section 10 of the Rivers and Harbors Act of 1899 and Section 404 of the Clean Water Act, within the regulatory boundary of the Louisville District, North Branch. This area includes approximately 70 counties in Laban has a Bachelor of Science degree from Purdue University and a Master of Science degree from Auburn University.
