Do you currently use AITC materials, activities, or books in your lessons? Yes No

Please answer each of the following questions. *You may add up to one additional page for your answers.*

1. Why do you believe it is important for students to know and learn about agriculture?
2. Do you currently use agriculture in your curriculum? If yes, please explain the current agricultural applications and future possibilities. If no, explain the places in your curriculum where you see potential agricultural applications.
3. In what subject areas are you looking to include agriculture topics into your curriculum? What is one way that you think you may be able to integrate agriculture into your lessons and activities for the 2020-21 school year?
4. Why would you like to attend that 2020 National AITC Conference in Salt Lake City, Utah?
